

Getting to your Graduate Research Welcome

Your destination is the Arts Precinct

From near the Central Courtyard, or the Eastern end of campus, head West along **Wally's Walk**.

As you approach the **Arts Precinct** (25A) veer left under Building A into the courtyard, and up the steps to Building B.

Walk **through** Building B, past the Arts Concierge into the next courtyard (between two buildings).

Building C is now in front of you. Take the steps or lift to Level 1 and you're there!
